

FIRST YEAR GRANT FORUM

Monday, February 23, 11:00–1:00 pm
Jones Room, Woodruff Library
Register by Monday, February 16

Students early in their graduate careers will learn about preparing for research projects and grant applications. Please bring questions and concerns! Topics include:

- Planning your Emory graduate program and dissertation project
- Designing research projects and writing grant proposals
- Assessing the skills and background you'll need for your project
- When to start applying for grants
- Resources available when writing a grant proposal
- and more....

Register by sending an email to csps@emory.edu.
Include your name, program, year of study and phone number.

Session is limited to 30 students
